

Business Lighting

Change the current way you use energy and make your bill even lower.

Bright ways to save on **Business Lighting**

Get a rebate, lower bills and better quality with upgraded lighting

Lighting can account for 25 percent or more of a business's energy use, so we know it pays to upgrade to energy-saving lamps and fixtures. Since there are more lighting options than ever before, we'll help you select and install energy-efficient lighting that works for your business. You will get better quality lighting at a lower cost today through rebates and in the long run with ongoing lower bills.

Business Lighting

Continually improving technology and higher efficiency codes and standards have led to more energy saving lighting options than ever before. To help you select the energy-efficient lighting system that best fits your needs, we're available to help.

Benefits

Newer lighting technologies offer:

- » Longer lamp life that saves on replacement and maintenance costs
- » Lower emissions from infrared and UV light
- » Better quality light directed where and when you need it

Qualifying lighting systems

- » High Bay LED
- » T5 or T5H0 lamps with electronic ballasts
- » Pulse-start lamps and electronic ballasts in metal halide fixtures
- » Permanent screw-in (with locking device) compact fluorescents in hard-wired fixtures
- » Delamping with reflectors, T5 or premium T8 lamps, and electronic ballasts
- » New hard-wired fixtures using qualifying fluorescent or compact fluorescent lamps
- » Premium T8 lamps with high-efficiency electronic ballasts

How to earn rebates

Select an energy-efficient lighting system, and FPL will give you a rebate starting at 50 cents per lamp for each qualifying lighting system.

Eligibility

- » All businesses are eligible to participate.
- » Lighting system must be pre-approved by FPL before installing a new energy-efficient lighting system.

Usage requirements

Rebates are for interior lighting that is used on a regular basis:

- » From 3 to 6 p.m.
- » Every day of the work week
- » From June 1 to Sept. 30
