- The provisions of the various policies are subject to the approval of FPL's Risk Management Department, and upon request, Supplier shall make available certified copies of the various policies for inspection. Any inspection of such policies shall not obligate FPL to advise Supplier of any deficiencies in such policies, and such inspection shall not relieve Supplier from, or be deemed a waiver of FPL's right to insist on strict fulfillment of Supplier's obligations herein.
- In the event that any policy furnished by Supplier provides for coverage on a "claims made" basis, the retroactive date of the policy shall be the same as the effective date of the contract, or such other date, as to protect the interest of FPL Entities. Furthermore, for all policies furnished on a "claims made" basis, Suppliers providing of such coverage shall survive the termination of the contract and the expiration of any applicable warranty period, until the expiration of the maximum statutory period of limitations in the State of Florida for actions based in contract or in tort.
