

How to recognize FPL workers

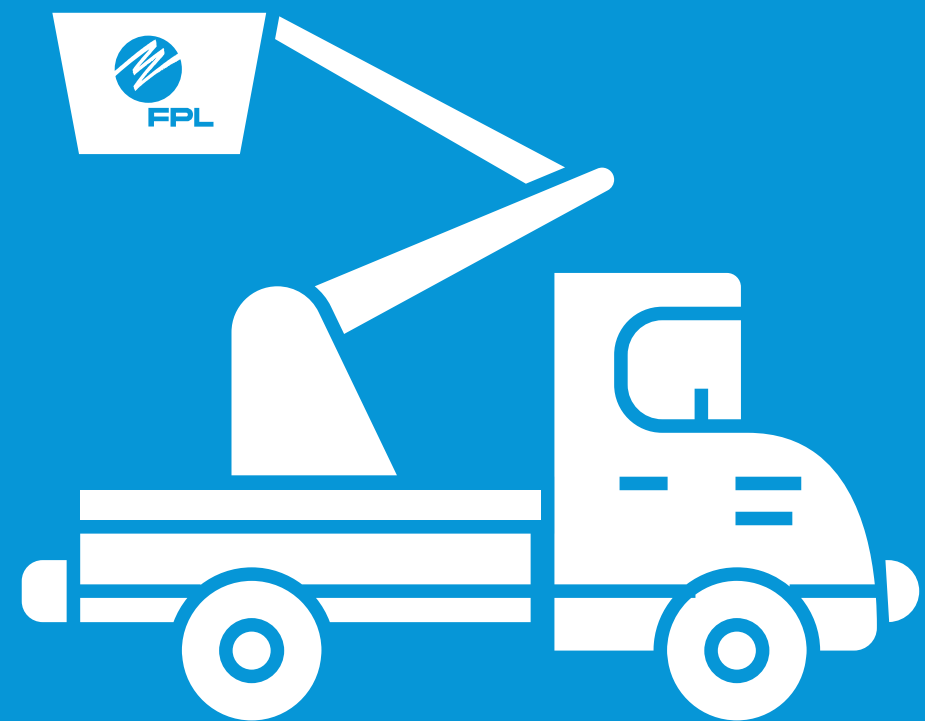

Be prepared: [FPL.com/storm](https://www.fpl.com/storm)

FPL takes the safety of our customers very seriously,
and we want you to know how to identify FPL workers.

FPL employees carry a **photo identification badge**.

The cars and trucks of non-FPL employees who are helping with restoration efforts are **typically marked as FPL-approved contractors or emergency workers**.

FPL employees, contractors and workers from other utilities helping with post-storm restoration efforts may need to work on your property, but they **will not need to enter your home or business**.
